Dear Adams Nursing Home Staff,

We are extremely grateful for the care, love, and attention given to our parents while residents at Adams. As you can imagine, this journey with our parents was a difficult one for us. We will always be indebted to all the nurses, CNAs, and other staff who attended to Mother and Daddy's every need. So many of you, especially on the East Wing and Dementia Unit, have become like family to us as we watched you care for our parents.

Your kindness and support at Daddy's death in January was overwhelming and then repeated just as much, if not more, at Mother's death in April. Thank you for everything you did for our parents and are continuing to do for others. May God continue to bless you as you work with the other residents.

Again, thank you for taking care of our parents during their final days on this earth. We appreciate it more than you will ever know.

Highest regards,
