

To the nurses and staff at Adams
Nursing Home — Thank you!

There is no way to adequately
express our gratitude for the care
you gave our mother during her
years at Adams. We are grateful
for each time you entered her room
to take care of her needs. Thank
you for the kindness you showed
our family these last few days.

Thank you for coming to
visitation and the funeral. The
potted plant is beautiful and
will inspire memories for a
long time.
