

May 17, 2010

Dear Robbie,

I want to say thank you to
you and all the staff for
such a fun Nursing Home Week.

The decorations were fun
and creative without being
babyfied. All the activities
considered all the different
levels of residents for
participation. No small task.

People were smiling & laughing
& feeling cared about. We realize
the love it took to put it on.
Thank You
