

Falkville Nursing Home Staff,

Thank you so much for the love  
and kindness you showed for  
during her stay there.

You went above and beyond what  
was required of you in caring  
for her and Christine.

Your compassion made such a  
difficult-time seem more  
bearable.

We know she loved all of you.  
Thank you again for  
Everything.

Love,  
Bregg
