

Thank you all for being there for  
my Mommy. She was a gift  
I had all my life!

Ya'll were there on her good days. [Laughed with her,]  
Ya'll were there on her bad days. [Some of you cried with her,]

I can't think of anyone else I  
would wanna pass my gift  
on to than "God"!

Ya'll will always have  
a place in my heart!

Thanks,  
m
